DRAFT MINUTES

1. Roll Call

Lorie Zapf, Chair of the Committee, called the Taxicab Advisory Committee meeting to order at 10:08 a.m. A roll call sheet listing Taxicab Advisory Committee member attendance is attached.

2. Approval of Meeting Minutes – March 2, 2016

Mr. Majid moved for approval of the minutes of the March 2, 2016, Taxicab Advisory Committee (TAC) meeting. Mr. Hueso seconded the motion, and the vote was 15 to 0 in favor with Mr. Boenitz absent.

3. Non-Agenda Public Comment

Abdul – Provided an overview of the United Taxi Workers of San Diego (UTWSD) citing a letter he provided to the Taxicab Advisory Committee (TAC) written by Mr. Mikail Hussein, the president of the UTWSD. In his letter, Mr. Hussein asked the TAC to consider allowing UTWSD a seat on the committee in place of the San Diego Tourism Authority (SDTA).

Michel Anderson – This public comment was taken after Agenda Item 8 and the unanimous vote to remove the San Diego Tourism Authority (SDTA). Mr. Anderson proposed the idea of Transportation Network Companies (TNC's) including Uber and Lyft to be regulated like taxicabs. Chairperson Zapf asked for specific recommendations.

Mr. Kellerman noted TNC's are regulated by the state and in the past he has inquired about local level regulation enforcement. Mr. Kellerman reminded the committee that the mission of the San Diego Metropolitan Transit System (MTS) is to focus on the regulated parties; taxicabs, jitneys, non-emergency medical, and to address wildcatters. It is not the responsibility of MTS to enforce state regulations. Mr. Kellerman mentioned a request had been made to the City Attorney's Office regarding giving MTS the ability to impose some regulations on the TNC drivers, but the City Attorney does not feel it is appropriate or legal to impose additional or redundant regulations on drivers who are already regulated by the state. Chairperson Zapf suggested this issue may be better addressed as a subcommittee and asked for solid recommendations that are actionable. Mr. Anderson suggested an actionable item would be to have the City enforce business licenses. Chairperson Zapf agreed and will look into the business license item. Mr. Palmeri suggested asking the City to lower the amount of insurance required. Chairperson Zapf believes it is a good idea to

compile a list of actionable items to address issues like business licenses and insurance. Mr. Majid inquired about forming a committee for these types of items. Mr. Kellerman proposed a discussion at the Workshop On Regulatory Matters (WORM) subcommittee meeting or possibly creating an ad hoc committee just for enforcement of TNC's. Mr. Majid recommended scheduling two meetings back-to-back, one for ordinance issues and one for the other concerns. Ms. Rains noted there would have to be a large outcry to the City Attorney and perhaps the Board of Supervisors to create a local ordinance that would regulate these companies. She noted the Sheriff's Department does not have any enforcement or authority locally. Ms. Cooney asked Chairperson Zapf to adjourn the meeting.

4. Management and Committee Member Communications

- a) Chairperson Lorie Zapf to introduce Ryan Chasteen of the Marriot Marquis San Diego Marina as new committee member

Chairperson Zapf welcomed new committee member Ryan Chasteen from the Marriott Marquis San Diego, representing the hotel industry and replacing Mike Staples of the Catamaran Resort.

- b) Ordinance No. 5 & Ordinance No. 11 revisions

Mr. Kellerman highlighted some of the changes made to Ordinance No. 5 and Ordinance No. 11 adopted by the MTS Board last month. Mr. Kellerman indicated the complete details are available in the May MTS Board meeting agenda item materials. Mr. Kellerman mentioned one of the highlights of the revision is the regulatory inspectors will have more authority to address expired registration tags. This change will help to ensure cabs do not get pulled over by a police officer when they have a fare. Mr. Kellerman noted another change to Ordinance No. 11 is the hearing officer selection procedure. MTS will no longer be selecting the hearing officer for formal hearings. MTS will be consulting with the state and the state will provide an administrative law judge to promote objectivity in the hearing process. Mr. Kellerman stated Ordinance No. 11 will now allow drivers working at the airport to charge either the maximum published airport rate or less than the maximum. This change will allow the drivers to make accommodations for their passengers. Mr. Kellerman mentioned this item may be going to the Airport's Board in September to reflect the same change. Ms. Tanguay expressed she was happy to see this change in legalizing the current practice and stated it gives the drivers a chance to be competitive. Mr. Kellerman reiterated this just gives the drivers an opportunity to charge less than the posted rates of fare. After some discussion, Chairperson Zapf clarified that this may already be in practice at the Airport but with the ordinance update it is now legal.

- c) New San Diego taxi permitting status

Mr. Kellerman reported on the progress of the new permitting structure that started July of 2015. The MTS Taxi Administration received over 1200 interest forms, requesting over 1500 new taxicab permits. The Taxi Administration staff have completed 1200 orientations, and to date 225 new permits have been issued. The application process will open up again July 1, 2016. Mr. Kellerman commended the staff for their hard work on processing the interest forms and finishing ahead of the proposed schedule.

d) Announcement of Leonardo Fewell's promotion and new hires

Mr. Kellerman addressed the staff adjustment; promoting Leonardo Fewell to the regulatory enforcement supervisory position. Mr. Kellerman noted MTS has an interview scheduled in the anticipation of hiring another Regulatory Inspector.

e) Solicit Workshop On Regulatory Matters (WORM) Subcommittee volunteers

Mr. Kellerman solicited the Taxicab Advisory Committee (TAC) members for the Workshop On Regulatory Matters (WORM) subcommittee. Ms. Tanguay and Messrs. Abraham, Afifi, Banks, Hueso, Majid, Palmeri, Seifu, and Weldegiorgis volunteered as subcommittee members. Mr. Kellerman described the Workshop On Regulatory Matters (WORM) for the new TAC members; noting when considering a change to Ordinance No. 11, the item may be brought to the WORM subcommittee before bringing it to the TAC.

f) Solicit Finance Subcommittee volunteers

Mr. Kellerman solicited the Taxicab Advisory Committee (TAC) members for the Finance subcommittee. The Finance subcommittee will review the budget each year before it goes to the TAC and ultimately to the MTS Board. MTS Finance will present the budget; the expenses, the revenue, and the reserves to the subcommittee. Mr. Afifi asked if this subcommittee would be involved in lowering the fees for new permittees. Mr. Kellerman stated that it is part of the process. The Finance subcommittee will also look at expenditures in the coming year. Ms. Tanguay and Messrs. Afifi, Hueso, Majid, Tehrani and Weldegiorgis volunteered as subcommittee members.

g) Tony Hueso – Taxicab Permit open market, Customer Appreciation Event

Mr. Hueso presented the idea, as an industry, to recognize the hotels that go beyond their call of duty. Mr. Hueso thought the Taxicab Advisory Committee (TAC) would be an excellent forum to create an appreciation event. Messrs. Chasteen and Hueso discussed the concept briefly. Mr. Hueso stressed the importance of singling out hotels that work well with the taxi industry to set a standard, positive working relationship going forward as opposed to an adversarial one. Chairperson Zapf suggested Messrs. Hueso, Chasteen and Ms. Mercer meet to discuss a possible event; the three parties were in agreeance. Mr. Hueso suggested it would look similar to the driver of the year award and mentioned a possible discussion at the Workshop On Regulatory Matters (WORM) level.

5. Taxicab Advisory Committee Lease Driver Member Election Results (TAKEN OUT OF ORDER)

Chairperson Zapf welcomed the newly elected Lease Drivers by name to the Taxicab Advisory Committee (TAC).

Action Taken

No action was taken.

6. Taxicab Advisory Committee Permit Holder Member Election Results (TAKEN OUT OF ORDER)

Chairperson Zapf welcomed the newly elected Permit Holders by name to the Taxicab Advisory Committee (TAC).

Action Taken

No action taken.

7. Public Hearing and Adoption of Taxicab Rates of Fare-Airport/Cities

Mr. Kellerman stated each year the MTS Taxicab Administration proposes and publishes rates of fare for both the San Diego International Airport and the City of San Diego. Last year the Taxicab Advisory Committee (TAC) recommended and took action to have uniform rates of fare citing the maximum rate for the Airport was the maximum rate for the City. This year the Taxicab Administration prepared the rates of fare calculations for both the Airport and the City and is proposing to keep the rates uniform. The Airport rates have gone down based on the formula used. Mr. Afifi suggested getting rid of the \$2.00 airport fee and feels it is unfair. Mr. Kellerman explained the airport trip fee is not something the Taxicab Advisory Committee (TAC) can take action on. The airport trip fee comes from the San Diego County Regional Airport Authority (SDCRAA) and their board. Mr. Kellerman advised there would be a change coming this summer and to use the opportunity to address the concern with their board. Mr. Kellerman stated the Airport Board will be looking at the surcharge. A motion was made to maintain the current 2015 taxicab rates of fare-airport/cities for 2016 and to continue to maintain the uniform rates.

Action Taken

Mr. Majid moved to maintain the 2015 rates Mr. Palmeri seconded the motion, and the vote was 15 to 0 in favor with Mr. Boenitz absent.

Mr. Kellerman mentioned the new Virginia Avenue Transit Center (VATC) that is scheduled to open July 15, 2016. The San Diego Metropolitan Transit System (MTS) Marketing Department is working on pushing out information to the public and the taxi industry. Mr. Kellerman stated there will be a ten space taxicab stand at this transit center. The VATC will also offer a space for pedicabs and a bus bay. Mr. Kellerman suggested checking the MTS website for continued information. Ms. Cooney stated they are anticipating 80% of the crossers will go over to the transit center; she believes it will be closer to 60%. Mr. Hueso inquired about the landscape in regards to the accessibility for transportation providers and consumer access. Ms. Cooney stated this is considered by the City of San Diego to be a personal occupancy vehicle pick up and drop off location; so they will be allowing anybody to come in and pick up or drop off.

Mr. Seifu inquired about more taxicab stands in the City. Mr. Kellerman stated the Taxi Administration staff is actively researching new taxicab stands downtown, the waterfront area, beach locations, and Mr. Kellerman is working with the San Diego International Airport to acquire taxicab stand space at the new Rental Car Center. He noted his staff is obtaining input from businesses and inquiring how receptive they would be to the installation of new taxicab stands in the City. Ms. Tanguay suggested researching southeast San Diego, the

center city area, 40th Street and U Avenue, 40th Street and El Cajon Boulevard, Logan Heights, Pacific and Ocean Beach, as areas for new taxicab stands.

Mr. Palmeri questioned Chairperson Zapf regarding picking up people under the ADA, where drivers are getting tickets for double parking or letting the passenger off in red zones when they are just trying to give the best service. Ms. Tanguay and Mr. Afifi agreed with Mr. Palmeri. Chairperson Zapf commented she will address this concern with the police officers, as a discussion item.

8. Proposal to Remove the San Diego Tourism Authority from the Taxicab Advisory Committee

Mr. Kellerman reported this proposal is based on the request of the San Diego Tourism Authority (SDTA) to no longer participate in the Taxicab Advisory Committee (TAC). Mr. Kellerman recommended the seat be removed so it does not impact the quorum for future action items. Mr. Afifi proposed the TAC add the United Taxicab Workers of San Diego (UTWSD) to the committee as addressed in the earlier public comment. Chairperson Zapf reiterated the motion is for the removal of the San Diego Tourism Authority (SDTA) and not the addition of a committee member.

Action Taken

Mr. Afifi moved to approve the removal of the San Diego Tourism Authority (SDTA) representative from the committee. Mr. Banks seconded the motion, and the vote was 15 to 0 in favor with Mr. Boenitz absent.

Please note: On Wednesday, June 15, 2016 at 2:52 p.m. Kim Soto, San Diego Tourism Authority (SDTA) informed the MTS Chief of Staff and the Clerk of the Committee that the SDTA would like to continue participation on the TAC and she would provide a representative at a later date.

Agenda Item No. 5

MEETING OF THE SAN DIEGO METROPOLITAN TRANSIT SYSTEM TAXICAB ADVISORY COMMITTEE

September 14, 2016

SUBJECT:

REVISIONS TO SAN DIEGO METROPOLITAN TRANSIT SYSTEM (MTS)
ORDINANCE NO. 11, PROVIDING FOR THE LICENSING AND THE REGULATING OF
TRANSPORTATION SERVICES WITHIN THE CITY BY THE ADOPTION OF A
UNIFORM PARATRANSIT ORDINANCE

RECOMMENDATION:

That the MTS Board of Directors:

- 1) Adopt the proposed amendments to Ordinance No. 11, An Ordinance Providing for the Licensing and the Regulating of Transportation Services within the City by the Adoption of a Uniform Paratransit Ordinance (Attachment A); and
- 2) Direct publication of a summary of the amendments to Ordinance No. 11.

Budget Impact

None with this action.

DISCUSSION:

The MTS Taxicab Administration held a Workshop On Regulatory Matters (WORM) subcommittee meeting on July 21, 2016. The subcommittee members proposed revisions to MTS Ordinance No. 11 in order to ease certain operating costs associated with meeting the requirements of Ordinance No. 11. The following revisions were agreed upon by the subcommittee and have the concurrence of Taxicab Administration Staff:

MTS Ordinance No. 11 provides for the licensing and regulating of transportation services. The proposed revisions to MTS Ordinance No. 11 are as follows:

MTS Ordinance No. 11, Section 1.8 (h) (3)

Currently, MTS Ordinance No. 11, Section 1.8 (h) (3) states the vehicle shall be painted and marked in accordance with the color scheme approved under Section 1.4 (f) of this Ordinance. Paint and markings may not be faded or deteriorated in such a manner as to preclude immediate recognition of the approved color scheme. The proposed revision would limit application of this section to the exterior of the vehicle only (eliminates door jambs, under hood area, etc.).

MTS Ordinance No. 11, Section 1.8 (m)

There shall be carried either on the person of the driver or in each for-hire vehicle, a map of the City, published within the past two (2) years. The proposed revisions to Ordinance No. 11, Section 1.8 (m) would add the language, "or an electronic device equipped with a GPS enabled map".

MTS Ordinance No. 11, Section 1.11 (b) and (d)

Revisions to MTS Ordinance No. 11, Section 1.11 (b) and (d) would allow for ninety days instead of the current sixty days to place a vehicle into service when the previous vehicle is replaced or retired from service.

MTS Ordinance No. 11, Section 1.13 (a) (4)

Revisions to MTS Ordinance No. 11 would allow for ninety days instead of the current sixty days to place a vehicle back into service when the owner elects to cease operation.

MTS Ordinance No. 11, Section 2.3 (d) and (d) (1)

MTS Ordinance No. 11, Section 2.3 (d) All taxicabs shall be equipped and operated so that they may be dispatched by two-way radio communication in response to a telephone or other request for service by a prospective passenger. This requirement may not be met by use of a mobile radio telephone service. (d) (1) Radio must be turned on, and audible to driver, at all times the taxicab is in service. The proposed revisions would add an electronic device as an option to meet the requirements of this section, if monitored by a dispatcher.

MTS Ordinance No. 11, Section 2.3 (e) (2)

MTS Ordinance No. 11, Section 2.3 (e) (2) adds the language, "or electronic device".

MTS Ordinance No. 11, Section 2.3 (f)

MTS Ordinance No. 11, Section 2.3 (f) states that radio scanners are not allowed in taxicabs. The proposed revision to MTS Ordinance No. 11, Section 2.3 (f) would remove this section from Ordinance No. 11.

MTS Ordinance No. 11, Section 2.4 (d)

Taxicab drivers cannot refuse or discourage a fare based upon trip length. The proposed revisions to MTS Ordinance No. 11, Section 2.4 (d) would prohibit drivers from refusing a fare if the passenger indicates a desire to pay by credit card.

MTS Ordinance No. 11, Section 2.6 (a) (5)

The proposed revisions would eliminate the requirement for Radio Services to maintain a policy on the 10-code.

MTS Ordinance No. 11, Section 2.6 (b)

The proposed revisions would allow up to two radio service organizations to share the same office location and allow up to two radio services to utilize the same dispatcher when approved by MTS staff.

MTS Ordinance No. 11, Section 2.7 (b)

The proposed revisions would allow MTS permitted vehicles to be equipped with window tinting when installed by the vehicle manufacturer and approved by MTS staff.

All other proposed revisions to MTS Ordinance No. 11 that are not described here were minor and non-substantive.

The permit holder shall have strict liability in this regard; however, this provision shall not restrict the Chief Executive Officer's ability to penalize a driver for violations of those provisions of this Ordinance which govern driver actions.

(4) The owner shall cease to operate any for-hire vehicle for a period of ninety (90) ~~sixty (60)~~ consecutive days without having obtained written permission for cessation of such operation from the Chief Executive Officer. It is the intent of this section that the Chief Executive Officer, in granting such permission, gives due consideration to the operating situation of the permit holder on a case-by-case basis.

The following guidelines are to be used in granting permission for a permit holder to cease operating a for-hire vehicle for a period longer than ninety (90) ~~sixty (60)~~ days.

(a) The permit holder must submit a written request for an extension of time, stating the specific reason(s) additional time is required and identifying a plan and timetable for placing the vehicle back in service. Written documents sufficient to substantiate the factual information contained in the request should also be submitted.

(b) The plan and timetable submitted must reflect a reasonable approach for placing the vehicle back in service within the shortest possible time frame.

(c) An additional period of time, not to exceed sixty (60) calendar days, may be granted to a permit holder in case of severe personal illness or other similar hardship.

(d) An additional period of time, not to exceed thirty (30) calendar days, may be granted to a permit holder in case of extensive vehicle repairs or other similar reasons.

(e) No extension will be granted to any permit holder who is unable to meet the basic operational costs including liability insurance, regulatory fees, and normal maintenance and repairs of operating a for-hire vehicle.

(f) No more than one (1) extension in time will be granted for each vehicle permit in a single twelve (12) month period.

(7) The for-hire vehicle or vehicles, if operated as a taxicab or LSV, are operated at a rate of fare greater than current maximum rate established by the Board pursuant to Section 2.2(a) of this Ordinance.

(8) The permit holder fails to begin operating the for-hire vehicle for which the permit is first approved within ninety (90) days after the approval date.

(9) The permit holder has been convicted of assault, battery, resisting arrest, solicitation of prostitution, any infraction, misdemeanor, or felony involving force and violence, or any crime reasonably and rationally related to the paratransit industry or any similar business operation which bears upon the integrity or ability of the applicant or permit holder to operate a for-hire vehicle business and transport passengers, unless five (5) years shall have elapsed from the date of discharge from a penal institution or the satisfactory completion of probation for such conviction.

(10) The permit holder has been convicted of a crime that would require a person to register as a sex offender under the California Penal Code. For purposes of this section, a plea or verdict of guilty, a finding of guilt by a court, a plea of nolo contendere or a forfeiture of bail shall be considered a conviction.

(a) A permit holder shall be notified in writing within 10 working days when a credible complaint has been filed with the Chief Executive Officer by a member of the public where such complaint involves the permit holder, the driver of the permitted for-hire vehicle, or the radio service to which the permit holder is subscribed. It shall be the responsibility of the permit holder to investigate the complaint and report in writing to the Chief Executive Officer within 30 days the result of the investigation and any corrective action taken or proposed. Where the complainant has agreed to the sharing of their identity, the results of the investigation, findings, and actions shall be communicated to the complainant.

(b) In the event the Chief Executive Officer finds a permit holder has failed to responsibly respond to notification of complaints or to initiate corrective action, the Chief Executive Officer shall issue a notice of proposed adverse action to the permit holder. If the circumstances of the complaint or subsequent investigation so warrant, the Chief Executive Officer may issue a notice of adverse action to a driver independently of or in conjunction with any adverse action proposed to the permit holder. The Chief Executive Officer shall refer to the Administrative Penalty Guidelines in determining a proposed adverse action.

(c) The permit holder or driver in receipt of a notice of proposed adverse action shall be given the opportunity to appear for an informal hearing before the Chief Executive Officer or his designated representative. Failure to appear will constitute waiver of the hearing. Following the hearing or waiver thereof, the Chief Executive Officer shall issue the notice of adverse action if justified by the facts. If the Chief Executive Officer determines that the performance of the permit holder or driver involves criminal activity or constitutes a serious degradation of the public safety, convenience, or necessity, a notice of adverse action may be issued and the action effected without hearing.

(c) Notwithstanding a driver's possession of a valid taxicab or LSV driver identification card, the Chief Executive Officer may deny, suspend, revoke, or refuse to renew the driver's privilege to operate a for-hire vehicle in the City if the driver falls within the provisions of this section. The Chief Executive Officer shall send a notice of prohibition the date postmarked to operate a taxicab or LSV to any holder of a Sheriff's driver identification card who is ineligible under Subsection (a) to operate a for-hire vehicle within the City limits. A revocation or suspension of a permit imposed for failure to comply with Section 1.8 (f) or Section 1.9 is rebuttably presumed to represent an unsafe condition pending the determination of the appeal or the correction of the violation, whichever shall occur first. Section 2.2 - Rates of Fare

(a) After a notice and open public hearing of the Taxicab Advisory Committee, MTS shall establish a maximum rate of fare for exclusive ride and group ride hire of taxicabs and/or LSVs except for trips from San Diego International Airport. A permit holder may petition the Board for any desired change in the maximum taxicab or LSV rates for exclusive ride and/or zone rates and group ride hire.

(b) Taxicab trips from San Diego International Airport shall be at a uniform rate of fare. Rates for trips originating at the airport may include an extra charge equal to the Airport Trip Fee assessed against the individual taxicab operator by the San Diego County Regional Airport Authority. The extra may not be charged on any trip that does not originate at the airport or on any trip where the taxicab operator does not pay the fee to the San Diego County Regional Airport Authority. The extra charge may only be charged to the customer by utilizing the extra button on the taxicab meter. A driver may not verbally request payment. All taxicabs utilizing the Airport Trip Fee extra button must have a decal, approved by the Chief Executive Officer and the County of San Diego Office of Weights and Measures. The decal shall identify and accurately describe the extra charge consistent with regulatory requirements.

(c) Each permit holder shall file with the Chief Executive Officer the rates of fare that he/she will charge, which shall not exceed the maximum rate set by the Board pursuant to Section 2.2(a).

(3) Each taxicab permit holder shall prominently post rates in dollars-per-mile centered on the upper third part of both rear doors one (1) inch in height utilizing "Univers" or other MTS pre-approved font in black or white lettering to produce maximum contrast adequately spaced for maximum readability.

(4) No other information shall be posted on rear doors.

(d) If a taxicab permit holder desires to change his/her rates of fare, he/she shall file with the Chief Executive Officer the new rates, reset the taximeter, have the taximeter sealed and inspected, and post the revised rates on each side of the taxicab as provided in Subsection (c) of this section.

(e) It shall be unlawful for a permit holder or driver to operate any taxicab in the City, unless the vehicle is equipped with a taximeter that meets the requirements of the State of California.

(1) The taximeter shall be of a style and design approved by the Chief Executive Officer.

(2) The taximeter shall calculate fares upon the basis of a combination of mileage traveled and time elapsed. When operative with respect to fare indication, the fare-indicating mechanism shall be actuated by the mileage mechanism whenever the vehicle is in motion at such a speed that the rate of mileage revenue equals or exceeds the time rate, and may be actuated by the time mechanism whenever the vehicle speed is less than this, and when the vehicle is not in motion.

(3) Waiting time shall include all time when a taxicab occupied or engaged by a passenger is not in motion or is traveling at a speed which is slow enough for the time rate to exceed the mileage rate. Waiting time will also include the time consumed while standing at the direction of the passenger or person who has engaged the taxicab.

(4) It shall be the duty of every permit holder operating a taxicab to keep the taximeter in proper condition so that the taximeter will, at all times, correctly and accurately indicate the charge for the distance traveled and waiting time. The taximeter shall be at all times subject to the charge for the distance traveled and waiting time.

(5) The taximeter shall be at all times subject to inspection by an MTS inspector or any peace officer. The MTS inspector or peace officer is hereby authorized at his or her instance or upon complaint of any person to investigate or cause to be investigated the taximeter, and upon discovery of any inaccuracy in the taximeter, or if the taximeter is unsealed, to remove or cause to be removed the vehicle equipped with this taximeter from the streets of the City until the taximeter has been correctly adjusted and sealed. Before being returned to service, the vehicle and taximeter must be inspected and approved by the Chief Executive Officer.

(6) Any device repairperson who places into service, repairs, or recalibrates a taximeter shall record the tire size and pressure of the drive wheels of that vehicle, as tested, on the repair person's sticker.

(7) It shall be the duty of the permit holder to ensure the proper device repair person's sticker is affixed to the taximeter and to ensure the tires are the proper size.

(f) It shall be unlawful for any driver of a taxicab, while carrying exclusive or group ride passengers, to display the flag or device attached to the taximeter in such a position as to denote that the vehicle is for hire, or is not employed, or to have the flag or other attached device in such a position as to prevent the taximeter from operating. It shall be unlawful for any driver to throw the flag into a position which causes the taximeter to record when the vehicle is not actually employed, or to fail to throw the flag or other device into non-recording position at the termination of each and every service.

(c) It shall be unlawful for the driver or operator of any taxicab or LSV to refuse a prospective or actual fare or to take any action to actively discourage a prospective or actual fare on the basis of race, creed, color, age, sex, national origin, disability, or for any other reason, unless it shall be readily apparent that the prospective or actual fare is a hazard to the driver or operator. Rude or abusive language directed to a passenger(s) or any physical action that a reasonable person would construe as threatening or intimidating shall be specifically defined as a violation of this section.

(1) A driver, however, is not obligated to transport any person who is verbally or otherwise abusive to the driver. Such incidents shall also be noted on the trip log and notification shall be immediately sent to the radio service organization, which shall record the incident and keep the record for the minimum of 6 months.
