MEETING OF THE SAN DIEGO METROPOLITAN TRANSIT SYSTEM
PUBLIC SECURITY COMMITTEE
1255 Imperial Avenue, Suite 1000
San Diego, CA 92101

October 17, 2018

1. ROLL CALL

Mr. McWhirter called the meeting to order at 1:32 p.m. A roll call sheet listing Public Security Committee members' attendance is attached.

2. APPROVAL OF MINUTES

Before proceeding to the approval of the minutes, a correction needed to be made, per Chief Guaderrama in item number 4 - Election of Vice-Chairman where it says "Mr. Ruiz" seconded the motion; it should read "Mr. Diaz" instead. The Committee members agreed with the amendment.

Mr. McWhirter then moved to approve the minutes of the April 19, 2018 Public Security Meeting. Mr. Sandke seconded the motion and the vote was 4 in favor with Mr. Hall absent.

3. PUBLIC COMMENTS

There were no public comments.

4. MTS SEMI-ANNUAL SECURITY REPORT

Chief Guaderrama welcomed the committee members and proceeded with a PowerPoint presentation reflecting the Semi-Annual Security Report from January 1, 2018 through June 30, 2018.

The introduction of the presentation (first slide) revealed the Transit Enforcement Components:

- 1) Code Compliance Inspectors (Public Officers with Powers of Arrest)
- 2) Contract Security Officers (Transit Systems Security)
- 3) Joint Agency Task Force (JATF)

The rest of the slides (2 through 27) included the MTS Sector/Beat Map, Part I and Part II Crime statistics (Trolley and Bus), enforcement statistics, including the Joint Agency Taskforce statistics, Copper Wire Thefts, etc. Operation East Village, a collaborative effort with the San Diego Police Department to reduce crime in the metro area, was also highlighted.

Early in the meeting, Mr. Sandke asked how many of the assaults on the system involved employees. Slide 17 listed the total of number of assaults (simple and aggravated) and showed that 52 out of a total number of 86 assaults involved employees as victims.

Chief Guaderrama responded to various questions inquired by the committee members (e.g., regarding fare details/fines, copper wire incidents and legal prosecution of suspects if they get arrested). Discussions about the security contract and future challenges were also discussed.

The Semi-Annual security report was very well received by the committee members; it will be presented to the Board Meeting in November 2018.

5. COMMITTEE MEMBER COMMENTS

Committee members commented about the after school loitering issues that have occurred in different trolley/bus stations in the metro area. Chief Guaderrama mentioned that high uniform presence is essential (MTS officers are assigned daily) but more school personnel will be implemented in the City College/downtown stations in order to help deter the loitering issues and help the school kids get to the trolley and bus stations safely.

In general, station video surveillance and officers' personal body cameras have been essential tools for MTS; especially when dealing with lawsuits that, in many cases, after a thorough investigation the claim happens to be false.

6. NEXT MEETING DATE

Next meeting is to be determined based on the members' availability.

7. ADJOURNMENT

At 2:30 p.m. the meeting was adjourned.

6. COMMITTEE MEMBER COMMENTS

Ms. Montgomery inquired how it is determined when an officer needs more training and asked to be stepped through the use of force process. Chief Guaderrama provided information on training and use of force processes.

Ms. Montgomery asked how much the Joint Agency Task Force (JATF) is costing. Chief Guaderrama responded that there is no cost to MTS and that it is a tremendous benefit to MTS, our patrons and to the communities served by MTS. He also mentioned the positive relationship MTS has with the law enforcement agencies.

Ms. Montgomery asked about the money trail for our citations, specifically fare evasion citations and how much we recover in fees. Chief Guaderrama said we do recover some money, but was not sure of the exact amount.

Ms. Galvez inquired about slide 29 (Transient Encampment Details SD River). She asked who we use for cleanup and what it costs. Chief Guaderrama stated that MTS uses Urban Corp, but did not have the exact contract cost.

Mr. Jablonski commented on slide 31, Ride Assured "See Something, Say Something". He mentioned that there is a new application in development that will allow a person to be tracked if they choose.

Ms. Galvez asked if Police Department agencies have access to our real time cameras. Mr. Jablonski informed her that we do have real time video feeds at our control center from all of our trolley stations. Video from onboard trains and buses is downloaded as the vehicles come into the bus facility or main trolley facility. Chief Guaderrama advised that we provide video to law enforcement, but they do not have direct access at this time. Ms. Montgomery mentioned that there are a lot of privacy measures in place regarding constant surveilling of open areas.

MEETING OF THE SAN DIEGO METROPOLITAN TRANSIT SYSTEM PUBLIC SECURITY COMMITTEE

September 27, 2019

SUBJECT:

SEMI-ANNUAL SECURITY REPORT (JANUARY 1, 2019 THROUGH JUNE 30, 2019)
(MANNY GUADERRAMA)

INFORMATIONAL ONLY

Budget Impact

None with this action.

DISCUSSION:

This annual security report covers the period from January 1, 2019 through June 30, 2019. Topics to be discussed will be the crime statistics for the calendar year and information regarding security and enforcement.

Transit Enforcement staff utilized the Automated Regional Justice Information System (ARJIS) database to obtain/identify Part I crimes that were possibly transit related. All law enforcement agencies in the San Diego region report their crime information to ARJIS and this is the most reliable data. Crime statistics where MTS staff was notified/involved are tracked and maintained in the MTS database (eForce). Once a crime was identified as possibly transit related, crime reports were obtained/reviewed to determine if there was a nexus to MTS.

Agenda Item No. 7

MEETING OF THE SAN DIEGO METROPOLITAN TRANSIT SYSTEM PUBLIC SECURITY COMMITTEE

September 27, 2019

SUBJECT:

HOMELESS OUTREACH PLANNING (SHARON COONEY)

INFORMATIONAL ONLY

Budget Impact

None with this action.

DISCUSSION:

San Diego County's Homeless crisis impacts the County's public transit systems in multiple ways. Homeless individuals and families often seek shelter on trains, buses, bus stops and transit centers. The lack of sufficient housing has increased the use of the County's transit systems as an alternative form of shelter.

MTS passengers often report homeless individuals sleeping on trains and buses, or in bus and trolley shelters, limiting access to seats, waiting areas, restrooms and elevators. The Homeless crisis has directly impacted the rider experience, which raises concerns that ridership will decrease if MTS does not proactively address the use of the system for a replacement to shelter.

With this in mind, staff has been pursuing potential programs to enhance the ridership experience while including solutions that connect homeless individuals to appropriate housing and supportive services. In partnership with the County of San Diego, the City of San Diego, and homeless service agencies, MTS hopes to contribute positively toward addressing the needs of the homeless population while also improving the rider experience.

Staff will provide a report on efforts thus far, and receive feedback from the Committee.
