

## PUBLIC HEARING: Route 910 – Overnight Bus Service

The San Diego Metropolitan Transit System (MTS) Board of Directors will hold a Public Hearing to establish the Route 910 (Overnight Express) as a permanent route. Route 910 is a pilot route launched in January 2025 that runs from the U.S. - Mexico border to downtown San Diego overnight when the UC San Diego Blue Line Trolley cannot operate. Route 910 operates approximately 12:30am-5am, with stops in San Ysidro, South San Diego, Chula Vista, National City, Barrio Logan and Downtown San Diego. A standard transit fare applies for Route 910, and the travel time is competitive with the Trolley. If approved, Route 910 will be made permanent.

The Public Hearing will be held on Thursday, January 15, 2026 at 9:00 a.m. at 1255 Imperial Ave., 10th floor Board Room, San Diego, CA 92101 or via webinar; instructions for joining the webinar can be found at <https://www.sdmts.com/about/meetings-and-agendas/board-meetings>. Those who wish to submit remarks but cannot participate in the webinar may provide their comments to MTS no later than 4:00 p.m., January 14, 2026 by calling MTS Customer Service at (619) 527-4555, email [customerfeedback@sdmts.com](mailto:customerfeedback@sdmts.com) or writing to MTS Planning, 1255 Imperial Ave., Suite 1000, San Diego, CA 92101.
