MEETING NOTICE AND AGENDA

S RTP 880.1
(PC 50850)

Thursday, March 21, 2012
1:30 p.m. – 3:00 p.m.

MTS Access Facility
Training Building
7550 Copley Park Place, San Diego CA 92111

MINUTES

1. Call to Order and Roll Call

Chairwoman Lorrie Bragg called the meeting to order at 1:30 p.m. A roll call sheet listing the committee members in attendance is included (see Attachment A).

2. Approval of December 12, 2012 Meeting Minutes

It was moved and seconded to approve the minutes of the December 12, 2012 ASAC meeting. Ms. Lisa Madsen noted that Connery Cepeda had attended the December meeting, but his name had not been checked off of the roll call sheet. The roll call sheet has since been revised. The motion passed unanimously.

3. Public Comment

There were no public comments.

4. Member Comment

Mr. John Lewis noted that Trapeze, the company that licenses the software that is used to schedule MTS Access trips, would be having their annual conference at the La Costa Resort in Carlsbad. MTS will be the host agency, and will be having tours of the Copley Park Division for conference attendees. The conference will be held April 15-17th.

Mr. Ruben Ceballos wanted to thank Mr. Walter Clack for addressing issues with concrete repairs at Trolley stations.

Chairwoman Bragg noted that, at the 12th & Imperial Station, the station is very dark at night. Mr. Clack noted that electrical repairs were being done at the station, but he would inquire to see if temporary lights could be supplied.

Mr. Todd Lordson noted that there had been some miscommunication regarding MTS policies. Some clients had been told that PCA's would have to start paying fare, which was determined to be incorrect, although companions do have to pay fare. The reservationists are also now asking if clients need to be met by someone to ensure that passengers who cannot be left unattended, are not left unattended. Mr. John Lewis confirmed that reservationists are now asking if clients need to be received by a caregiver. Mr. Lordson also thanked Mr. Lewis and Mr. Rafael Villegas for addressing concerns brought up by Regional Center clients.

Mr. Floyd Willis inquired as to whether or not there was a means to query the data of MTS Access riders to determine the number of riders over 60 years of age. Mr. Art Hulscher responded that the data was retrievable.

5. ADA Paratransit Reports

MTS Access - Mr. John Lewis presented the MTS Access reports for January and February 2013 (see Attachment B).

Chairwoman Bragg inquired about the higher ridership in the month of January. Mr. John Lewis replied that this was likely due to having more days in the month. Ridership has also been up overall for the last 8-9 months. Mr. Jim Byrne also noted that December ridership is also historically low as centers close for the holidays, and that ridership in March and October is also notably higher due to a lack of holidays. Chairwoman Bragg also inquired about abandoned calls. Mr. Lewis responded that abandoned calls are logged when a person calls, and then hangs up for whatever reason. The person could be dialing the wrong number, etc.

ADARide – Mr. Art Hulscher presented the ADARide certification reports for December 2012, and January and February 2013 (see Attachment C).

Mr. Todd Lordson noted that the turnaround time for getting a client certified is incredibly fast. Clients can often be certified within the next day or two. Mr. Hulscher also thanked Mr. John Lewis and his staff for getting all of the data entered so quickly.

6. Fixed-Route Reports

MTS Bus – Mr. Jim Byrne presented the MTS Bus Ramp Deployment Report for December 2012, and January and February 2013 (see Attachment D).

MTS Contract Services (Veolia Transportation) – Ms. Lisa Madsen presented the MTS Contract Services Ramp Deployment Report for December 2012, and January and February 2013 (see Attachment E).

Chairwoman Bragg noted that ramp failures had declined over the past few months, and asked if there was a specific cause. Ms. Madsen replied that new buses had been purchased, which likely eliminated the ramp problems.

San Diego Trolley, Inc. – Mr. Walter Clack presented the San Diego Trolley Lift Deployment Report for the months of December 2012, and January and February 2013 (see Attachment F).

Mr. Clack noted that the numbers were drastically different than before because many new low-floor trolleys had been introduced into the fleet. Low floor cars were introduced on the Orange Line in early January 2013. Trolley is also hoping to introduce low floor cars onto the Blue Line by next January. Mr. Clack also noted that this would be his last ASAC Meeting, as he would be retiring.

Chairwoman Bragg also noted that at the Board meeting that morning, it was mentioned that the Marketing Department would be conducting a customer service survey. Chairwoman Bragg asked Ms. Karen Landers if the survey would ask questions about accessibility. Ms. Landers noted that she was not sure of the specific questions, but that she would discuss the survey with the Director of Marketing.

7. Copley Park Division Tour

Meeting attendees took a walking tour of the Copley Park Division.

8. Adjourn

Chairwoman Bragg adjourned the meeting at 2:15 p.m., and attendees proceeded with a tour of the Copley Park Division.
