MEETING NOTICE AND AGENDA

SRTP 880.1
(PC 50850)

Thursday, June 13, 2013
1:30 p.m. – 3:00 p.m.

James R. Mills Building
Board Meeting Room, 10th Floor

MINUTES

1. Call to Order and Roll Call

Mr. Dan McCaslin called the meeting to order at 1:30 p.m. A roll call sheet listing the committee members in attendance is included (see Attachment A).

2. Approval of March 21, 2013 Meeting Minutes

There were not enough members present to vote to approve the March 21, 2013 meeting minutes.

3. Public Comment

Mr. Warren Lambert commented that he has been a paratransit rider since 1993, and was on the original committee assisting the President in the White House in drafting the rules and regulations to the ADA. Mr. Lambert stated that MTS and MTS Access were in violation of the ADA.

Ms. Leslie Henshaw stated that she was denied use of the lift on a Route 833 bus. Mr. Dan McCaslin commented that Mr. John Lewis would be able to meet with Ms. Henshaw to further address her concerns.

Ms. Lorraine Leighton commented that drivers discriminate against disabled passengers, and engage in reckless driving.

Ms. Gloria Strickland stated that she has ridden MTS Access for three years, and had concerns regarding past trip experiences.

4. Member Comment

Mr. Dan McCaslin noted that MTS had recently renewed its ADA Certification contract with ADARide for an additional ten years.

Ms. Lisa Madsen noted that Floyd Willis had asked for some statistics regarding ridership within the senior community at the previous ASAC Meeting in March, and distributed a handout with the requested information.

5. ADA Paratransit Reports

MTS Access - Mr. John Lewis presented the MTS Access reports for March, April, and May 2013 (see Attachment B).

ADARide – Mr. Art Hulscher presented the ADARide certification reports for March, April, and May 2013 (see Attachment C).

6. Fixed-Route Reports

MTS Bus – Ms. Lisa Madsen presented the MTS Bus Ramp Deployment Report for March, April, and May 2013 (see Attachment D).

MTS Contract Services (Veolia Transportation) – Mr. Joe Nunweiler presented the MTS Contract Services Ramp Deployment Report for March, April, and May 2013 (see Attachment E).

San Diego Trolley, Inc. – Mr. Tom Doogan presented the San Diego Trolley Lift Deployment Report for the months of March, April, and May 2013 (see Attachment F).

Mr. Connery Cepeda inquired as to if it would be possible to further break down the wheelchair ramp specifics to see if there were particular times or routes that experienced more pass ups because the bus was full or the wheelchair area was full. Mr. Jim Byrne noted that MTS would try to provide the data.

7. Title VI Policy Updates

Mr. Denis Desmond presented information regarding MTS' Title VI Policy. All agencies receiving federal funds must comply with Title VI. The FTA issued two new circulars last fall, which will require some changes to MTS Policy #42, which is the MTS Board Policy regarding how we change services. These circulars are requiring adjustments to policies regarding how we define major service changes, environmental justice, vehicle loads, headways, on-time performance, and availability of service. MTS will need to implement two changes to the policy to ensure that both low income and minority communities are not subject to a disproportionate number of impacts when service changes occur. MTS would like to implement a 10% threshold to determine if there is an impact.

8. Upcoming Service Change Information

Mr. Denis Desmond discussed the service changes that had taken place on the previous weekend. Most of the changes were seasonal, removing school trippers and adding summer service on certain routes. The September service change will be similar, with more school service being added, and service being reduced on summer routes. Two Bus Rapid Transit projects are under construction right now. One project will operate bus service between Downtown San Diego and Escondido along I-15. The second is the Mid-City Rapid project, which will replace the Route 15 from SDSU to Downtown along El Cajon Blvd. Both projects are scheduled to begin service in June 2014.

9. Adjourn

Mr. Dan McCaslin adjourned the meeting at 2:25 p.m.
