ASK A QUESTION (TO MTS STAFF):

The screenshot shows a GoToWebinar interface. At the top, there is a menu bar with 'File', 'View', and 'Help'. Below it is a 'Questions' panel with a dropdown arrow and a close icon. The main area is titled 'Audio' and includes a 'Sound Check' button with a volume indicator and a help icon. There are three radio button options: 'Computer audio' (selected), 'Phone call', and 'No audio'. Below these are two volume sliders: one for the microphone (labeled 'Microphone Array (Realtek Audio)') and one for the speakers/headphones (labeled 'Speakers / Headphones (Realtek Aud...)'). At the bottom of the audio section, it says 'Talking: Julia Tuer'. Below the audio section is a 'Questions' panel with a dropdown arrow and a close icon. This panel contains a large text input area with a placeholder text '[Enter a question for staff]' and a 'Send' button. A red box highlights the 'Questions' panel and the 'Send' button. Below the 'Questions' panel, there is a section for 'Test-run webinar' with the 'Webinar ID: 254-841-883'. At the bottom, there is a red dot icon and the text 'This session is being recorded.' followed by the GoToWebinar logo.
