

Zero-Emissions Bus Online Public Workshop

You're invited!

WHAT: Zero-Emissions Bus Online Public Workshop

WHY: MTS has begun converting its bus fleet to zero emissions and has drafted a transition plan to complete the conversion by 2040. Please attend this public workshop to provide input. The MTS Board of Directors will consider all public comments prior to submitting the plan to the California Air Resource Board.

DISCUSSION TOPICS:

- Update on MTS electric bus pilot program
- Overview of the draft transition plan
- Results of greenhouse gas emission benefit
- Conversion challenges and opportunities

WHEN: Tuesday, July 21, 4 p.m.

WHERE: The webinar presentation will be broadcast in both English and Spanish.
